The Maggie Miller Scholarship

Maggie Miller, a school counselor at both DeWitt High School and Okemos High School, was known for her passion for life and the profession.

She was the kind of counselor who invited both students and colleagues into her heart, her office, and her home. For Maggie, this work was about people, first and foremost.

In 2007, Christopher Tremblay, Associate Provost for Enrollment Management at Western Michigan University, donated funds to establish the Maggie Miller Scholarship through MACAC to honor Maggie's contributions to our field. Maggie passed away in November 2008.

Please consider donating to the Maggie Miller Scholarship fund. By donating, you help students and will also receive a MACAC t-shirt to showcase your support.

Checks can be written to "MACAC" and sent to Zay Reynolds; MACAC Executive Assistant
5965 Coleman Road East Lansing, MI 48823

DO YOU ACCEPT THE CHALLENGE?

Jump on the Social Media bandwagon and help send a high school counselor to the NACAC Conference in San Diego California. This is a great way to encourage colleges, independent schools, and organizations to sponsor a public high school counselor's attendance at NACAC 2015. Use [#hsc2015](https://twitter.com/hsc2015) to accept and make a challenge of your own!
