The Maggie Miller Scholarship

Maggie Miller, a school counselor at both DeWitt High School and Okemos High School, was known for her passion for life and the profession.

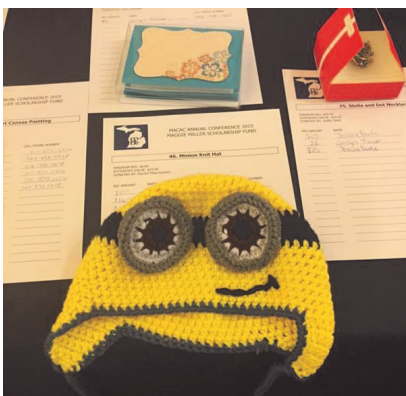

She was the kind of counselor who invited both students and colleagues into her heart, her office, and her home. For Maggie, this work was about people, first and foremost.

In 2007, Christopher Tremblay, Associate Provost for Enrollment Management at Western Michigan University, donated funds to establish the Maggie Miller Scholarship through MACAC to honor Maggie's contributions to our field. Maggie passed away in November 2008.

The 2015 MACAC Conference is proud to announce that \$1,563 was raised for the Maggie Miller Scholarship fund.
