#### **Why attend this workshop:**

The **Urban Counselor Workshop** is designed to provide professional development for high school and middle school counselors in Michigan's metropolitan areas. It will focus on addressing the ever changing issues on college admissions for school counselors who work in culturally diverse communities.

#### **Workshops include:**

Military career opportunities, career consultation, and college preparation.

#### **Past sessions covered:**

Poverty as Trauma, Mental Illness and Children and Teens, Restorative Practices, Making Difference Matter, Trivializing Sexual Assault, and many others.

A large white silhouette of the state of Michigan is centered on a solid blue background. Overlaid on the right side of the silhouette are the years "2000", "2010", and "2020" in a large, bold, purple sans-serif font, stacked vertically to mark the 20th anniversary.
